Worship This Sabbath

We are continuing our series titled Faithful Discipleship, which builds off our previous series on how all of Jesus' followers are His priests. How do we live

out our priestly calling to point others to Jesus? This series we'll be looking at how the most effective way to serve as priests is to make disciples. We hope that you can join us online or in-person at 11a!!

Can we just say a few words or hand people some reading material and be on our way?

July Break

As many of us are starting to re-engage with the world around us (taking vacations, connecting with distant family, etc.), several of our activities such as outdoor vespers and our online game nights will be going on hiatus for July. Please stay tuned for announcements regarding the restart of these activities.

Re-Gathering 2.0

Last Sabbath, we began to modify some of our inperson worship programs – including adding an adult Sabbath School, opening more seats, singing, etc. If you've been waiting for church to return a bit more to normal, now is a good time to re-gather with us!

We are about one and half months behind in our church budget for 2021. We understand that these are still difficult times financially for many of us, but if you are able please remember your local church by giving online (bit.ly/39QVJrg), using the Adventist Giving app, or mailing your gifts - marking your intent for each gift clearly.
